# ControlRoomForum 2011

Competence decides.

**ControlRoomForum 2011** in Dubai: 18th October 2011

Top speakers will talk about the latest trends in control room planning. The overall focus lies on the ergonomic aspects, but as well on:

- *Efficient working*
- *Room planning*
- *Visualization and management*
- *Light planning*
- *Modular Systems*

This event is entitled to transfer practical knowledge to our customers - totally commerce-free. The single presentations of the special fields of knowledge offer you the opportunity to exchange your experiences with other specialists and colleagues.

The overall intention is to provide a platform for discussion among professionals and to enlarge your professional social network.

Due to the successful implementation and feedback of this event in Germany this year, we now want to present it to an international spectrum: **To be hosted in Dubai, UAE. at The Address Hotel, Dubai Marina.**
